BLACK & CHROME TRIM:

DESCRIPTION:

The material used is SPOC 7, a 0.02inch cold-rolled plate suitable for stamping. The surface must be clean and tidy, free from scratches, cracks, burrs, or flare deformation. Unmarked tolerances should comply with the intermediate requirements of the GB/T1804-2000 standard and unmarked drawing angles should have a radius of 0.3. The unmarked surface and dimensions should follow the 3D documentation. All products must meet ROHS inspection standards.
